

COMING AUGUST 1 FROM

CHRISTINA LAUREN

The first audio original from bestselling author duo Christina Lauren, featuring a full-cast including Jessica Marie Garcia (*On My Block, Liv and Maddie*) & Harry Shum Jr. (*Grey's Anatomy, Everything Everywhere All At Once*).

A perfectionist maid of honor and a carefree, surfer-bro best man team up to plan a wedding and end up finding a spark of their own in this audio original sequel to Christina Lauren's *New York Times* bestseller *The Unhoneymooners*.

Ami is determined to break the Torres family wedding curse. Her own disaster of a reception ended with all the guests getting food poisoning, and she left her cheating husband soon after. But even though she's still processing her own divorce, Ami won't let her twin sister Olive's day be anything but perfect. Olive may think she wants a private ceremony in Maui, where she and her fiancé Ethan first fell in love, but Ami knows better and secretly flies the whole Torres family out to surprise the couple. Now she and her meticulously organized binder have less than two weeks to get everything together for the big day, thousands of miles from home.

Enter Brody, Ethan's best man, who happens to be living in Maui and insists on helping with the preparations. His playfully elaborate schemes and happy-go-lucky attitude are the last thing Ami needs. When sparks start to fly, could it derail all her carefully laid plans?

Featuring narration by
Harry Shum Jr. & Jessica
Marie Garcia!

Equal parts hilarious and swoon-worthy, this full-cast production which features returning *The Unhoneymooners* narrators Cynthia Farrell and Deacon Lee, is your ticket to the ultimate destination wedding, bringing to life both a captivating couple and an unforgettable family.
